

STR2008

Southern Tandem Rally 2008

Sept 19-21, 2008

Bi-cycling the Blue Grass

We invite you to join us in Bowling Green, Kentucky for the 30th anniversary of the Southern Tandem Rally. The tandem weekend will include group rides on Friday, Saturday and Sunday with sag stops and road support provided for each days ride. The registration fee includes lunch on Saturday and the banquet dinner.

The riding in this area of Kentucky rivals any part of the country; the roads are great and it's just plain pretty. The routes we've laid out for your weekend are gently rolling, with a few challenging hills. Friday's routes lead to Mammoth Cave National Park, Saturday's routes include a stop at the Shaker Museum in South Union, Ky and Sunday's routes lead through the rolling hills east of Bowling Green.

Please join us for a weekend of great cycling and fun. Ride is limited to 125 teams; contact us early to reserve your spot.

We are also offering an optional 4-day post tour through central Kentucky. Contact information for additional information regarding the post tour can be found below.

There are many additional attractions in Bowling Green. We are home to the Corvette factory and museum and are planning a special STR tour of the factory on Friday. Bowling Green boasts its own Lost River Cave and Mammoth Cave National Park is just 20 miles north of Bowling Green.
